I have read the Dress Code Guidelines for the 2018-2019 school year and have discussed the guidelines with my child. I understand the importance of wearing the proper uniform at all times and will ensure to send my child to school with the right uniform every day. If for circumstances out of my control my child is not able to wear the proper uniform, I will send a note to my child's teacher requesting an exception for that day. If a note is not sent to my child's teacher, I understand that there will be a consequence and my child may receive a Uniform Referral, I might be contacted and asked to bring the proper uniform, or my child may be sent home.
