

Special Services (Extra Support)

Fall 2020

Introduction

We understand that community support is essential during this time of uncertainty. It is especially important to let parents know they are not alone in helping their children navigate home learning. The County of Los Angeles Department of Public Health has allowed the school to reopen for in-person instruction to service students who need extra support. These students may be served as needed, provided that the overall number of students present on-site does not exceed 10% of the total student body at any one time. Please note that this plan is subject to change as needed during the distance learning process.

NOTE:

- Students must attend school every day (Monday-Thursday). **IF** a student misses class more than 3 days without an excuse, the student will need to continue on Distant Learning.
- Students must be on time, 7:40 check-in.
- Students must get picked-up on time 2:15 pm the latest. If a student continues not to be picked-up on time, the child will need to continue on Distant Learning.
- **NO DAYCARE AVAILABLE**

Plan Presented:

1. Full, on campus instruction (Monday-Thursday) from 7:50 am- 2:10 pm.

Relating Adjustments

- I. Students and adults with COVID-19 symptoms should **NOT** come to campus for 14 days or the end of the symptoms or until proof provided of a passed COVID-19 test.
- II. Exposure to COVID-19 should be communicated to the school office as soon as possible via phone and email. (323) 560-3376 lguzman@sroflimaschool.org and asalgado@sroflimaschool.org
- III. Students and adults with a fever (100.4 or higher) should not come to campus for 24 hours (per LA County Public Health guidance)
- IV. Students failing the symptoms check must be picked up immediately.
- V. Families are encouraging to practice social distance, mask-wearing, and all other appropriate and recommended behaviors; doing so enables our school to remain open, our faculty, students, and their families to stay safe, and our growth to continue in a more optimal environment. Disregarding these expectations may jeopardize our community and require measure to be taken by the administration of the school and parish.
