Prayer

I love you God. Thank you for sending salvation through Jesus, which is the name above all names. Let every word that I speak and every thought that I think be pleasing to you. Let my entire life be my act of worship. I dedicate all that I am, and all that I do, to you.

Help me to live according to your ways. Living an upright life is how I express my deepest gratitude to you

AMEN.

Principal's Message

Dear SRL Parents,

Welcome to week 18! Please take time on reading the bulleting, it has many important information regarding enrollment for next school year, re-opening the school, fundraiser and upcoming event dates.

Blessings,

Our Deepest Sympathy,

St. Rose of Lima school would like to express our condolences to those families who have lost a family member(s). Wishing you strength and comfort through this difficult time. Thinking of you and wishing you moments of peace and comfort. Hope you know that we are here for you during this time of sorrow. Please accept our warmest **condolences**.

In Times of Loss...

We pray that in this time of loss,
You'll feel God's love much more
And that you'll find your comfort
In the presence of the Lord
We pray God pours upon you,
His sweet amazing grace
And overflow your heart with peace
As you live in His embrace

TEACHING FROM HOME

Due to the high and rising numbers in COVID, our teachers will be teaching from home as of this week twice a week. This will alleviate the number of people in the building. We want to make sure that we are

all kept safe. If possible, we are asking that you give us a call or send us an email with any question that you might have, also we are encouraging you to use VENMO for payments. Please stay safe!

The Department of Catholic Schools issued an advisory recommending school resume instruction in distance learning until the end of January. As a result of the continuing struggle, we are facing with the recent surge in COVID-19 cases, hospitalizations and deaths, the Los Angeles County Department of Public Health has issued a "strong recommendation" to all K-12 schools in LA County to remain in distance learning through Friday, January 29th.

(School speak): Attached please find a memorandum from Dr. Barbara Ferrer, Director of LA County Department of Public Health articulating their recommendation

St. Rose will continue with distance learning for right now. In February we will begin once again bringing in special needs' students for extra support. As you know, we are only allowed to bring 10% of student (13 students). We will contact the parents of the student once we get the all clear from the archdiocese.

Please remain patient while we learn more and await further information
